Re: Illegal pit

1- Drip pit-AMOCO Prod. Florance 2A O-20-3oN-09W

A field inspection conducted on August 29, 1994 revealed that the un-netted pit at the referenced wells contained oil or paraffin in violation of order R-8952. Your application for exception to the order (form C-134) is not approved and you are hereby directed to bring the pits into compliance prior to September 31, 1994.

Yours Truly

Johnny Robinson
