Dear Sir:

Mr. Bob Moore of the Bureau of Land Management has informed us that a Tramroad Bond is not necessary for building the drilling location. However, he has asked us to comply with the attached BLM seeding plan. Amoco agrees to seed this location according to the BLM's wishes.

Also attached is the surface development plan that we will follow during and after drilling operations.

Should any questions arise, please contact us.

Yours very truly,

LO Speer Jr HDM
