Dear Sir:

Enclosed are triplicate plats showing ownership of all leases and Pictured Cliffs wells offsetting our proration unit and a survey plat of the proposed location.

Approval for this unorthodox location is requested in order to avoid unnecessary damage to fee surface land owned by Mr. & Mrs. Charles Jones of Aztec, New Mexico. Mr. Jones requested the drillsite be located at the edge of his irrigated pasture for his arabian horses, as close as possible to the existing road and his fence line.

Manana Gas, Inc. has notified all offsetting operators of this application.

Very truly yours
