99.65 Acres

Dear Bill:

The acreage along the west edge of Township 31 North, Range 9 West is considerably short because of the survey.

It appears that drill tracts should be requested for the west half of each of sections 6, 7 and 18 similar to those established by Order R-4463, copy enclosed.

If there are questions please call.

Yours very truly,

A. A. Kendrick
Supervisor, District #3
