Notice of Revised Physical Location

Dear Mr. Cooper:

Please amend your records to note that the correspondence dated May 20, 1998 from Blagg Engineering, Inc. to Mr. William Olson of the New Mexico Oil Conservation Division contained an incorrect physical location designation for the subject well. The correct physical is (K) Sec 4 - T30N - R11W, San Juan County, New Mexico. The prior correspondence noted the location to be (K) Sec 4 - T29N - R11W. We apologize for any inconvenience this error may have caused.

Respectfully submitted,
Blagg Engineering, Inc.
