Re: Mary Shephard #1 K-10-30N-11W

Dear Mr. Shanahan:

I wrote you one year ago (letter attached) concerning a force pooled interest in the referenced well. This interest was never paid as required under order R-2289. You never acknowledged my letter nor the letter written later by the interest owner.

If I do not receive a satisfactory response in thirty days concerning all proceeds from the production of this well which were not disbursed, I will call a case for hearing before an examiner and direct our attorney to assess fines for failure to comply with a Commission order.

If you have any questions, please contact this office.

Sincerely,

A handwritten signature in cursive script, appearing to read "Frank T. Chavez".
