Dear Ms. Clark:

As requested in your letter of April 14, 1980, we are submitting Form C-102 for the Fruitland formation for the subject well.

On March 26, 1980, a hearing was held in Santa Fe, New Mexico, wherein we requested downhole commingling of the Pictured Cliffs and Fruitland formations. To date, we have not received the decision of the Examiner, so cannot submit the approved order. As soon as we are aware of the decision, we will send you a copy of the order.

Yours very truly,
