7. Name of geologist

8. Name of hydrologist

9. Name of chemist

10. Name of physicist

11. Name of biologist

12. Name of meteorologist

13. Name of astronomer

14. Name of geophysicist

15. Name of geodesist

16. Name of cartographer

17. Name of photographer

18. Name of draftsman

19. Name of printer

20. Name of binder

21. Name of folder

22. Name of envelope

23. Name of box

24. Name of bag

25. Name of case

26. Name of cover

27. Name of cap

28. Name of lid

29. Name of top

30. Name of bottom

31. Name of side

32. Name of end

33. Name of corner

34. Name of edge

35. Name of face

36. Name of back

37. Name of front

38. Name of rear

39. Name of left

40. Name of right

41. Name of up

42. Name of down

43. Name of in

44. Name of out

45. Name of on

46. Name of off

47. Name of at

48. Name of by

49. Name of for

50. Name of to

51. Name of from

52. Name of with

53. Name of without

54. Name of against

55. Name of among

56. Name of between

57. Name of inside

58. Name of outside

59. Name of above

60. Name of below

5. State

6. If known, lot or tract name

7. If known, agent name

8. If known, well name

9. If known, Federal No.

10. If known, well name

11. If known, well name and location

12. If known, well name and location

13. If known, well name and location

14. If known, well name and location

15. If known, well name and location

16. If known, well name and location

17. If known, well name and location

18. If known, well name and location

19. If known, well name and location

20. If known, well name and location

21. If known, well name and location

22. If known, well name and location

23. If known, well name and location

24. If known, well name and location

25. If known, well name and location

26. If known, well name and location

27. If known, well name and location

28. If known, well name and location

29. If known, well name and location

30. If known, well name and location

31. If known, well name and location

32. If known, well name and location

33. If known, well name and location

34. If known, well name and location

35. If known, well name and location

36. If known, well name and location

37. If known, well name and location

38. If known, well name and location

39. If known, well name and location

40. If known, well name and location

41. If known, well name and location

42. If known, well name and location

43. If known, well name and location

44. If known, well name and location

45. If known, well name and location

46. If known, well name and location

47. If known, well name and location

48. If known, well name and location

49. If known, well name and location

50. If known, well name and location

51. If known, well name and location

52. If known, well name and location

53. If known, well name and location

54. If known, well name and location

55. If known, well name and location

56. If known, well name and location

57. If known, well name and location

58. If known, well name and location

59. If known, well name and location

60. If known, well name and location

Original well log for well in the 100' interval 4600-4700', and the 46' interval 4600-4646'. The 100' interval was never attempted and the 46' interval was completed only.

Original well log for well in the 100' interval 4600-4700', and the 46' interval 4600-4646'. The 100' interval was never attempted and the 46' interval was completed only.
