This form is to be filed in compliance with NGLC 1114.
If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviation from taken on the well in accordance with NGLC 111.
All sections of this form must be filled out completely for allowable on new and recompleted wells.
Fill out only Sections I, II, III, and VI for changes of owner, well name or number, or transporter or other such change of condition.
Separate Forms C-104 must be filed for each pool in multiply completed wells.
