Dear Donna:

As enclosed, copies of the 1993 Bradenhead Tests indicate the referenced wells were not tested; or the tests were incomplete. Please get the wellheads in shape, reschedule and retest the wells prior to January 1, 1994.

Also enclosed is an incomplete copy of a test on a well called the Florance T-123. Amoco does not operate a well by this name.

Yours truly

Charles Gholson  
Field Representative
