RE: Fee #12A, 30-045-25334, A-12-30N-12W

Dear Delores:

The above-mentioned well failed the 1995 and 1996 Packer Leakage tests. There was a repair letter sent to request remedial activity before August 27, 1995. There was a NIT to repair the well sent in on 1-23-96 and on 1-31-96, the NIT to repair the well was canceled. As I understand your plans to DHC the well have also been canceled.

You are hereby directed to notify the Aztec OCD of your plans for this well before 6-13-96.

Sincerely,

A handwritten signature in cursive script that reads "Johnny Robinson".
