Federal GCL #1E, B-14-30N-11W

Dear Gary:

Annual Packer Leakage Tests on the referenced wells indicate communications between the producible zones. In order to comply with Rule 112A and the order authorizing the multiple completion, you are hereby directed to initiate immediate remedial activity.

Yours Truly,

A handwritten signature in cursive script, appearing to read "Charles Gholson".

Charles Gholson  
Deputy Oil & Gas Inspector  
NMOCD District III
