Re: Riddle #4S; G-21-30N-9W

Dear Sirs:

The referenced well was the Bolack #3. It was applied for as a new APD and NSL. You already have a Bolack #3 in M-20-28N-8W that was approved on October 31, 1978.

The referenced well was changed to the Riddle #4S because it is in the same quarter section as the Riddle #4, which is also a Blanco Fruitland completion. An infill Fruitland well has an "S" suffix.

If you have any questions please call this office.

Yours truly,

A handwritten signature in cursive script that reads "Jeff A. Edmister".
