RE: Unorthodox Location
Joel B. Burr, Jr.
Foothills A #1
San Juan County, New Mexico

Gentlemen:

Joel B. Burr, Jr. request an unorthodox location for his Foothills "A" No. 1 at 1185' FSL and 690' FWL, Sec 20, T30N, R12W, San Juan County, New Mexico. The well is to be completed in the Pictured Cliffs formation. This request is based on topographic restrictions.

The topographic restrictions are a very steep hill to the east and an existing well with production equipment and pipelines to the south. A map showing these features is attached.

All offset operators have been notified by certified mail. A map showing ownership of offset 160's and all wells completed there on is attached.

Sincerely,

A handwritten signature in cursive script that reads "John Alexander".
