Gentlemen:

Enclosed is your Application for Permit to Drill (APD) well No. 96 Rosa Unit, NE/4SW/4 sec. 17, T. 31 N., R. 6 W., San Juan County, New Mexico, lease SF-078766. As discussed with Paul Thompson of your Company on August 20, 1984, the subject APD is rescinded and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 15 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely yours,

/s/ J. Stan McKee
