17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1703.

In order to facilitate possible future testing of the Dakota formation, a one year extension of our permit to temporarily abandon the Dakota formation is hereby requested.

This well, which is completed in the Gallup formation, is currently shut in due to our not being able to secure a gas pipeline connection. A connection has been approved and McHugh should be installing a pipeline within the next 60 days.

Temp. Abandonment expires 9-12-88
