Completion or Recompletion Report and Log form.)

DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Amoco Production Company requests approval to alter the proposed drilling program on the above referenced well. The 6-1/4" hole will be drilled from the bottom of the intermediate casing to T.D. using gas or air rather than mud. The rest of the program will be as stated on the APD. Verbal approval received from Jim Lavoto on 8-21-85.
