Enclosed is your Application for Permit to Drill (APD) for well No. 7A Seymour, NW/4SE/4, sec. 23, T. 31 N., R. 9 W., San Juan County, New Mexico, lease NM-03601. As discussed with Robert Frank of your Company on April 13, 1988, the subject (APD is rescinded) and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 30 days, we will presume that no construction occurred. Later discovery that construction activities have in fact occurred, may result in an assessment for noncompliance.

Sincerely,

/s/ Ailan G. Hiner
