13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

This well was drilled and cased by Mesa Petroleum in 10/90. The well was never perforated and the entire wellbore is still isolated behind casing. Before plugging this wellbore Conoco would like to re-evaluate it for any possible completion attempt. Permission is requested to allow this well to remain shut-in until 6/94 at which time either a completion proposal will be made or a P&A procedure will be submitted.
