RE: San Juan 32-9 Unit #107 L-9-31N-9W

Dear Mr. Hatlock:

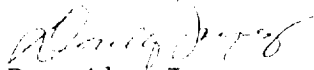

Meridian Oil Inc., submitted the permit to drill this well. I received a sundry (attached) that Amoco now has turned operatorship to Meridian.

Our records show Meridian as the operator of this well. Meridian never send an operator change, but the sundry reports are coming from Amoco and I need to get our records straight.

Amoco's C-104 will not be approved on this well, as our records show Meridian to be the operator.

I notified you on this 5/5/92 and no response.

Sincerely,

Dorothy Jacquez
