RE: F C State Com #24, M-36-30N-12W, 30-045-28177

Dear Dan:

As the enclosed copy of the 1997 Bradenhead Test indicates, the referenced well probably has a small casing leak. In order to comply with Rule 108, prevent waste, protect fresh water and protect the environment, you are hereby directed to initiate remedial work or retest the well.

Feel free to call me at 334-6178 if I can be of any help.

Sincerely,
