Dear Ms. Acevedo:

Enclosed is your Application for Permit to Drill (APD) Well No. 1 Lorraine Gas Com., 1830' FNL & 1840' FWL (SE $\frac{1}{4}$ NW $\frac{1}{4}$) sec. 26, T. 30 N., R. 8 W., San Juan County, New Mexico, lease No. NMSF-080597. Your proposal to relocate the drill site to the NWNW of Section 26, removes the proposed well from the jurisdiction of the Bureau of Land Management. The subject APD is hereby rescinded and returned. Any expired or rescinded APD may be resubmitted to the BLM at any time when drilling plans are formulated for a Federal lease.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 30 days, it will be presumed that no construction occurred. Later discovery that construction activities have occurred, may result in assessment of liquidated damages.

Sincerely,

Ken Townsend
