Dear Mr. Kendrick:

Reference is made to your Application for Permit to Drill (APD) Well No. 1 Flora Vista 9, 990' FNL & 975' FEL (NE $\frac{1}{4}$ NE $\frac{1}{4}$), Section 09, T. 30 N., R. 12 W., Federal Lease No. NMNM-024158, San Juan County, New Mexico. Due to no report of drilling operations commencing prior to expiration, the subject APD has expired as of February 16, 1995 and is hereby returned. Any expired APD may be resubmitted at any time when definite drilling plans are formulated.

You are required to request surface rehabilitation instructions from this office if any construction activities have occurred on the referenced drill site. If this office does not receive comment within 30 days, it will be presumed that no construction occurred. Later discovery that construction activities have occurred, may result in assessment of liquidated damages.

Sincerely,
