13. Describe Proposed or Completed Operations (Clearly state all pertinent dates, including estimated date of starting any proposed work. If well is
directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Bayless is changing its plans for construction of a water disposal line for this well, at the request
of the City of Farmington. The line will be moved 8' from the proposed right-of-way in order to go
under College Blvd. through an existing conduit, rather than drilling an additional bore under
the street.
