Subject: Wrong API #

March 24, 2000

Dear Maurice and Peggy,

I have put the wrong API number on a well. API # 30-045-30096 This has been approved by the BLM so I am making sure that Burlington Res. O&G Co knows as well as the BLM.

The well is

Nordhaus #1B
1170/S 805/W
M-13-31N-09W

The correct API # is 30-045-30193.

I apologize for any inconvenience this may have caused.

Thank you.

Monica
