Gentlemen:

Enclosed for your records is an amended Acreage Dedication Plat for the captioned well. The original plat attached to our Application for Permit to Drill dated September 18, 2000 erroneously set out the W/2 as the spacing unit for the Fruitland Coal. Also, the Pictured Cliffs formation was drained by an older P&A well, so there are no plans at this time to complete this well from the PC.

Sincerely,

Chris O'Shea
Engineering Technician
