13. Describe Proposed or Completed Operations

It is intended to drill and complete the subject well in the Basin Fruitland Coal (Pool Code 71629) and the Blanco Pictured Cliffs (Pool Code 72359). The production will be commingled according to Oil Conservation Division Order Number 11363. Allocation and methodology will be provided after the well is completed. Commingling will not reduce the value of the production. Bureau of Land Management has been notified in writing of this application.

Interest is common. No notification is required.
