Application for Permit to Drill the subject well was submitted on 03/27/2001 and approved on 6/8/01. A Sundry Notice was submitted on 05/29/2002 requested an extension to the drilling permit and was approved on 06/19/2002.

BP America Production Company respectfully request that the Permit for this well be withdrawn as further evaluations have determined that drilling a well at this location is not economically feasible.
