Re: Administrative application for an exception to Division Rule 104.C (3).

Dear Mr. Kendrick:

This letter acknowledges the receipt of your administrative application dated September 5, 2001 for Texakoma's proposed Amoco Well No. 1-R (API No. 30-045-30785) to be drilled at an unorthodox Fruitland Sand gas well location 1693 feet from the North line and 397 feet from the East line (Unit H) of Section 21, Township 30 North, Range 12 West, NMPM, San Juan County, New Mexico, within a standard 160-acre gas spacing and proration unit for the Flora Vista-Fruitland Sand Pool (76600) comprising the NE/4 of Section 21.

The Division received this application on September 7, 2001, accepts it as an administrative application, and assigned it NMOCD application reference No. *pKRV0-125332020*. Please refer to this number in future correspondence with the Division.

Our preliminary review indicates that the information provided in the application is not sufficient to process an administrative order. The following information is necessary:

A completed and signed "**Administrative Application Checklist**", which is now mandatory for such filings.

Since the submitted information is insufficient to review, the application was ruled as incomplete on September 12, 2001. Please submit the above stated information by Wednesday, September 19, 2001.

The Division cannot proceed with your application until the required information is submitted. Upon receipt, the Division will continue to process your application. The additional information can be faxed to (505) 476-3471, or mailed to the Division in Santa Fe. If the necessary information is not submitted, your application will be returned to you.

Should you have any questions concerning this matter, please contact me in Santa Fe at (505) 476-3465. Thank you.

Sincerely,

Michael E. Stogner  
Chief Hearing Officer/Engineer
