It is intended to drill and complete the subject well in the Fulcher Kutz Pictured Cliffs (Pool Code 77200) and the Basin Fruitland Coal (Pool Code 71629). The production will be commingled according to Oil Conservation Division Order Number 11363. Allocation and methodology will be provided after the well is completed. Commingling will not reduce the value of the production. Bureau of Land Management has been notified in writing of this application.

Notification of the intent to commingle the subject well was sent to all interest owners via certified mail on September 26, 2002. No objections were received.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
