Re: \$10,000 Blanket Plugging Bond,
Dave Martin

Gentlemen:

Your letter of November 13, 1963 addressed to Mr. A. L. Porter of our Santa Fe Office has been forwarded to me for handling.

The \$10,000 blanket plugging bond with Dave Martin as principal has never been used to cover any drilling or producing operations in New Mexico since its date of issue. It was Mr. Martin's intention to transfer three wells operated by El-Mj-Ri Oil Company to this bond; however this was never done and the wells were covered by the El-Mj-Ri Oil Company bond until they were transferred to Mr. Woodrow Stiles of Aztec.

I hope that the above information will enable you to resolve the matter.

Yours very truly
