Attn: Mr. Carl Smith

Dear Sir:

We received your letter of May 15, 1962 along with amended Gas Well Plat for your #1 Myra Cummins well located in the SE $\frac{1}{4}$  Section 33-31N-11W.

Based upon this information we are qualifying our approval of your original notice of intention to drill with the requirement that notice of final communitization of the acreage in the south half of Section 33 be effected prior to production of the well. Please notify this office by letter as soon as communitization has been approved by all parties.

Yours very truly

Emery C. Arnold  
Supervisor, District #3
