Dear Pat:

We have just received Federal Well Record form on your #5 Ute Mountain "B" in the SE $\frac{1}{4}$  Section 31-31N-15W. For some reason we failed to get our copy of the Notice of Intention to Drill on the well location plat on this well.

Will you please send us two copies so that we may have one copy to send to Santa Fe.

Yours very truly

Re: May 1, 1951

Dear Sir:

We have just received Federal Well Record from your file to  
show that in the 2nd Section 31-31-12W. For some reason  
we failed to get our copy of the notice of intention to drill  
on the well location filed on this well.

Will you please send us two copies so that we may have one copy.  
Is said to be sent to you.

Yours very truly
