Gentlemen:

Confirming our telephone conversation this morning, enclosed for your file are two approved copies of "Notice of Intention to Drill" (USGS Form 9-331a) which were evidently sent to us in error.

This well is to be drilled as a replacement well to the Johnston-Federal #5, which is located in the SW NE NE Section 35-31N-9W. On completion of the subject well, notice of intention to plug and abandon the Johnston-Federal #5 will be submitted.

Yours very truly,

CHARLES M. HEARD
District Superintendent
