17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

It is intended to perform the following work in order to improve the mechanical condition of the well and to increase productivity. Estimated commencement date is May 28, 1965:

Test 7" casing and repair leaks by squeezing cement or perforate at the base of the Ojo Alamo and squeeze w/cement.

Clean out the open hole or drill a new side tracked hole through the Mesa Verde pay, set & cement a string of 4 1/2" production casing, selectively perforate and sand-water fracture the Mesa Verde pay.

Clean out the well and run tubing.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
