Att: Mr. R.M. Wiederkehr

Dear Mr. Wiederkehr:

It has just come to our attention that no Form C-103 showing results of plugging on Southern Union's No. 1 Willmuth in the NW $\frac{1}{4}$ SW $\frac{1}{4}$  Section 26-31N-11W has ever been filed with our office.

Notice of Intention to Plug was filed on August 13, 1954 and I am sure that the well was plugged. Form C-102, Notice of Intention to Plug was filed by Mr. H.C. Montgomery and he evidently neglected to file Form C-103.

I believe it would be advisable to file this form so that records on this well will be complete.

Yours very truly

Emery C. Arnold  
Supervisor, District #3
