

NEW MEXICO OIL AND GAS COMMISSION  
 OIL FIELD REPORT

Form C-104  
 Supersedes OIL C-101 and C-110  
 Effective 1-1-63

UNCONFINED OIL AND/OR NATURAL GAS

|       |   |
|-------|---|
| Oil   | 1 |
| Gas   | 1 |
| Water | 1 |
| Other |   |

|                     |                      |                        |
|---------------------|----------------------|------------------------|
| Well Name           | Well No.             | County                 |
| Location            | Section              | Township               |
| Range               | Meridian             | State                  |
| Owner               | Operator             | Lease No.              |
| Completion          | Change in Completion | Other (please explain) |
| Change in Ownership | Change in Ownership  | Change in Ownership    |

If change of ownership give name and address of previous owner

II. DEVIATION OF WELL AND LOG

|                     |                      |                        |
|---------------------|----------------------|------------------------|
| Well Name           | Well No.             | County                 |
| Location            | Section              | Township               |
| Range               | Meridian             | State                  |
| Owner               | Operator             | Lease No.              |
| Completion          | Change in Completion | Other (please explain) |
| Change in Ownership | Change in Ownership  | Change in Ownership    |

III. PRODUCTION OR TRANSPORT OF OIL AND/OR GAS

|                     |                      |                        |
|---------------------|----------------------|------------------------|
| Well Name           | Well No.             | County                 |
| Location            | Section              | Township               |
| Range               | Meridian             | State                  |
| Owner               | Operator             | Lease No.              |
| Completion          | Change in Completion | Other (please explain) |
| Change in Ownership | Change in Ownership  | Change in Ownership    |

If this production is commingled with that from any other lease or pool, give commingling order number:

IV. COMPLETION DATA

|                                      |                             |                 |                   |           |             |              |
|--------------------------------------|-----------------------------|-----------------|-------------------|-----------|-------------|--------------|
| Designate Type of Completion - (X)   | Stimulated                  | Shallow         | Deep              | Plug Back | Some Restr. | Unrestricted |
| Date Spudded                         | Date Compl. Ready to Prod.  | Test Depth      | P.B.T.D.          |           |             |              |
| Elevations (DF, RKB, RT, GR, etc.)   | Name of Producing Formation | Top Oil/Gas Bay | Tubing Depth      |           |             |              |
| Perforations                         |                             |                 | Depth Casing Shoe |           |             |              |
| TUBING, CASING, AND CEMENTING RECORD |                             |                 |                   |           |             |              |
| HOLE SIZE                            | CASING & TUBING SIZE        | DEPTH SET       | SACKS CEMENT      |           |             |              |
|                                      |                             |                 |                   |           |             |              |
|                                      |                             |                 |                   |           |             |              |
|                                      |                             |                 |                   |           |             |              |

V. TEST DATA - (This section must be filled out for all wells, whether or not they are producing, and must be equal to or exceed top allowable flow rate.)

|                     |                      |                        |
|---------------------|----------------------|------------------------|
| Well Name           | Well No.             | County                 |
| Location            | Section              | Township               |
| Range               | Meridian             | State                  |
| Owner               | Operator             | Lease No.              |
| Completion          | Change in Completion | Other (please explain) |
| Change in Ownership | Change in Ownership  | Change in Ownership    |

|                     |                      |                        |
|---------------------|----------------------|------------------------|
| Well Name           | Well No.             | County                 |
| Location            | Section              | Township               |
| Range               | Meridian             | State                  |
| Owner               | Operator             | Lease No.              |
| Completion          | Change in Completion | Other (please explain) |
| Change in Ownership | Change in Ownership  | Change in Ownership    |

 SUPERVISOR DIST. #3

This form is to be filled in compliance with RULE 100.  
 It is a request for allowable for a newly drilled or deepened well. This form must be accompanied by a tabulation of the deviation logs taken on the well in accordance with RULE 111.  
 All sections of this form must be filled out completely for allowable on new and recompleted wells.  
 Fill out only Sections I, II, III, and VI for changes of owner, well name or number, or transporter, or other such change of condition.  
 Separate Forms C-104 must be filled out for each pool in a well.
