Dear Ben:

Enclosed is "Notice of Intention to Drill" on the Ruple Unit #1. This notice is enclosed in triplicate. Also enclosed is Blanket Bond Form 39-A1, which is in connection with the drilling of this and any other wells in New Mexico.

We notice in the Rules and Regulations of the Oil Conservation Commission that a surveyors plat of the location should also be attached. We do not have this plat and presume you have been furnished with one.

We shall appreciate you giving all of this information to Mr. Greer so that approval may be obtained for the drilling operations to commence.

Very truly yours,

PRIMO OIL COMPANY
