DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

On October 1, 1957 the El Paso Natural Gas Products Company purchased from Claude M. Carroll the interest they held in this well. Since El Paso Natural Gas Products Company now owns this well and will be the operator, the name of the well will be changed from the C. M. Carroll Ute No. 9 to the El Paso Natural Gas Products Company Ute No. 9.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
