Attention: Mr. Charles M. Heard

Administrative Order NWU-255

Gentlemen:

Reference is made to your application for approval of a 315.83-acre non-standard gas production unit in the Blanco-Mesaverde Gas Pool consisting of the following acreage:

Township 31 North, Range 12 West
Section 7: N/2

It is understood that this unit is to be ascribed to your Culpepper-Martin No. 2 Well, located in the NE/4 NE/4 of said Section 7.

By authority granted me under provisions of Rule 1 (b), Section 15 of the Special Rules and Regulations for the Blanco-Mesaverde Gas Pool, as set forth in Order R-128-D, you are hereby authorized to operate the above described acreage as a non-standard gas production unit, with allowable to be assigned thereto in accordance with Rule 1 (a) of the pool rule, based upon the unit size of 315.83 acres.

Very truly yours,

A. L. PORTER, Jr.,
Secretary-Director

OIL CONSERVATION COMMISSION

P. O. BOX 871

SAVITA FEL, NEW MEXICO

Dear Sir:

Reference is made to your letter of the 10th day of August, 1938, in which you requested that the Commission issue a permit for the exportation of oil from the State of New Mexico to the State of California.

The Commission has considered your application and has determined that it is in the public interest to issue such a permit.

Accordingly, the Commission hereby issues to you a permit for the exportation of oil from the State of New Mexico to the State of California.

Very truly yours,

The Commission has also determined that it is in the public interest to issue such a permit for the exportation of oil from the State of New Mexico to the State of California.

Lawrence S. Smith, Secretary
Section 7, W.S.

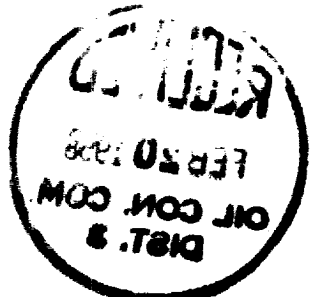

This permit is valid for a period of six months from the date of its issuance.

The Commission has also determined that it is in the public interest to issue such a permit for the exportation of oil from the State of New Mexico to the State of California.

Very truly yours,

L. L. PARKER, Secretary

The Commission has also determined that it is in the public interest to issue such a permit for the exportation of oil from the State of New Mexico to the State of California.

Mr. Charley Heard
Anderson-Prichard Oil Company
Suite D-400 U.S. National Bank Building
1740 Broadway
Denver, Colorado

Dear Sir:

The survey plat dated 1881 shall be used as the basis of allowables for your Culpepper-Martin Well #2.

Under the provisions of Rule 1303 we shall grant an allowable based upon the non-standard proration unit of 315.83 acres until the administrative order can be completed.

Please submit Form C-128 in triplicate to this office showing the corrected dedicated acreage.

If we can be of assistance, please contact us.

Yours very truly

A. R. Kendrick
Engineer, District #3
