Mr. A. L. Porter, Jr.
Secretary-Director
New Mexico Oil Conservation Commission
P.O. Box 871
Santa Fe, New Mexico

Dear Mr. Porter:

Because of an error in the original survey the location for the San Juan Unit 32-7, Well No. 16-17 has been moved. The correct location is 1650' FNL, 910' FEL, Section 17, Township 32 North, Range 7 West, San Juan County, New Mexico.

As this is no longer an unorthodox well location please cancell our request of April 22, 1957 and the approval granted in your letter of April 24, 1957.

Very truly yours,

T. A. Dugan
Division Manager
