Dear Mr. Fannin:

We received Gas Well Plats on the McMillan-White #1 Maddox in the SW $\frac{1}{4}$ Section 10-32N-11W and are approving your Notice of Intention to Drill as of this date; however as you have dedicated 335.6 acres to this well it is a Non-standard Unit as set out in Order R-128-C, Rule 1(a). It will therefore be necessary for you to secure Administrative Approval for the Non-standard unit before an allowable can be granted.

We are enclosing a copy of Order R-128-C along with a copy of a Memorandum containing instructions on how to secure Administrative Approval on this unit.

Yours very truly

Emery C. Arnold
Supervisor, District #3
