Re: Holmberg Gas Com A #1 B-28-32N-10W

Dear Buddy:

Our records show that this well should be in the Mt. Nebo Fruitland Pool. You are reporting it on your C-115's in the Cedar Hill Basal Coal Pool. Buddy, please take the necessary steps to correct this over site in your records. Thank you.

If you have any questions, please call.

Yours truly,

  
Ernie Busch  
Geologist III
