Re: Holmberg Gas Com A #1 B-28-32N-10W

Dear Bill:

On April 23, 1987, I sent a letter to Buddy Shaw requesting a change of Pools from the Cedar Hill Fruitland Basal Coal to the Mt. Nebo Fruitland Sand. Shortly there after I received a pool change sundry and a C-102 rededicating 159.51 acres to the well and changing the pool to the Mt. Nebo Fruitland Sand Pool. However, the C-115 continues to report the well as Cedar Hill Fruitland Basal Coal. Please take steps to correct this problem once and for all. I have included copies of the previous correspondence

Yours truly,

Ernie Busch  
District Geologist
