RE: Koch Exploration Company  
Gardner #2  
G-31-32N-8W  
San Juan County

Dear Mr. Kendrick:

This is to advise that we will proceed to squeeze off the Pictured Cliffs and Fruitland perforations in the subject well.

We appreciate your consideration in allowing Koch Exploration to test this well over a several month period.

Sincerely yours,

*J. A. Ziser*  
J. A. ZISER  
Vice President of Production
