Memorandum

To: Assistant Deputy Minerals Manager, Field Operations, MS 410
From: District Supervisor, Oil & Gas, Farmington, NM
Subject: Termination of Communitization Agreement, SRM-1557

Communitization Agreement SRM-1557 covering the S¹ sec. 32, T. 31 N., R. 11 W., comprised of 80 acres of Federal lease Santa Fe 078097, and 240 acres of Fee land was approved on August 18, 1980 for production from the Dakota formation effective December 10, 1979. The term of the Communitization Agreement was for two years. No Dakota well was drilled on the Communitization Agreement prior to December 10, 1981 and the Agreement should be considered to have terminated on its own terms as of that date.
