

INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Division not later than 20 days after the completion of any newly drilled or deepened well. It shall be accompanied by one copy of all electrical logs run in the well and a summary of all reported test results secured by the drilling operation. All data reported shall be measured depths, in the case of directionally drilled wells, true vertical depths shall also be reported for multiple completions. Formations through which the well passes shall be reported for each zone. The form is to be filed in quadruplicate and upon completion, separate filing tags are required, see Rule 1455.
