Dear Mr. Harrison:

The Division received your letter dated February 28, 1995 with an enclosed land plat and signed waivers. The attached plat does not identify the operator or owner of an undrilled lease to the north in Sections 23 and 24 in Colorado. As stated in the Division's letter of February 1, 1995 all such parties to the east, northeast, and north of the drilling tract for the subject well were to be contacted.

Please resubmit a corrected plat showing this information and if necessary please notify those parties of Consolidated's intent.

Should you have any questions concerning this matter, please contact Michael E. Stogner, Engineer in Santa Fe at (505) 827-8185.

Sincerely,

Michael E. Stogner  
Chief Hearing Officer/Engineer
