RE: Allison Unit #23M- Accept downhole commingling applications & allocation factors

Dear Ms. Cole:

The Allison Unit #23M well was reviewed for downhole commingling of the Mesaverde and Dakota formations. After reviewing the production history for this well, we concur with the allocation factors established in your application. The effective date is the date that downhole commingling actually occurs. The well and the approved allocation factors are listed below.

Well Name	Lease	Location	API#	Formation Allocation	Formation Allocation
Allison Unit #23M	NMSF081155	sec 19, T32N, R6W	3004529668	MV gas 76% oil 0%	DK gas 24% oil 0%

If you have any questions, please contact Adrienne Garcia at (505) 599-6358 or the undersigned with this office at (505) 599-6367.

Sincerely,

**for Jim Lovato**
