Gentlemen:

New Mexico Oil Conservation Commission Order No. R-5557 ordered you to plug the Ute No. 1 well, located in the NW $\frac{1}{4}$ sec. 20, T. 31 N., R. 15 W., San Juan County, New Mexico, on lease No. 14-20-604-86A.

The Mountain Ute Tribe has advised us that the lease has terminated and that they wish to include the land on a pending lease sale. The Tribe wishes to advertise this land for sale with the unplugged well on it.

Consequently, you are requested not to plug the well at this time. However, you will be responsible for liability of this well until a new lessee accepts the responsibility.

A copy of this letter will be sent to the New Mexico Oil Conservation Commission for their file.

Sincerely yours,

Jerry W. Long
District Engineer
